

## TFIAM 49

## The World Wide Web (all times given in Central European Summer Time (CEST))

## Indicative agenda

## 20th of April

Time	Speaker	Title
12:00	EVERYBODY	Connecting and final tech test
		<b>I OPENING AND NEWS FROM THE CONVENTION</b>
12:30	Åström & Maas	1 Opening & Welcome/ approval of agenda
12:50	Engleryd and Åström	2 Status of the convention & update of the TFIAM 2020-2021 work plan
		<b>II UPDATES ON EUROPEAN AIR QUALITY ASSESSMENTS</b>
13:10	Amann	3 GAINS analysis of European air quality futures
13:50	Pisoni	4 Updates from the FAIRMODE community
14:10		<i>Coffee break</i>
14:30	Holland	5 Health impact assessment and valuation news
14:50	Schucht & Holland	6 ETC/ATNI project on the review of the methods for the EEA damage cost calculation and externalities assessment
15:10	Hayes	7 Activities and Achievements of the ICP Vegetation
15:30	Schucht	8 APollO: Economic analysis of air pollution impacts from ozone on agricultural and forestry productivity
		<b>III UPDATES ON GLOBAL AIR QUALITY ASSESSMENTS</b>
15:50	Amann	9 Global assessment of air quality
16:10		<i>Coffee break</i>
16:30	Gallo Cassarino	10 Applying low emission renewable model to Europe including international trade and storage
16:50	Giannakis	11 Regulating agricultural ammonia emissions in Europe: Costs and benefits.
17:10	Jaiswal	12 Particulate air pollution and its environmental impact in central India
17:30		Close of day 1

## 21st of April

Time	Speaker	Title
		<b>IV PRESENTATIONS OF ACTIVITIES ALIGNED WITH THE TFIAM WORK PLAN</b>
12:30	Yaramenka	13 Cost review / Cost of inaction report
12:50	Maas	14 Ammonia Assessment report
13:10	Åström	15 TFIAM support of the GP-review and input needed from other bodies under the convention
13:30		<i>Coffee break</i>
		<b>V UPDATES ON NATIONAL ASSESSMENTS</b>
13:50	Reis	16 Assessing long-term improvements of air quality and public health effects in the UK
14:10	Velders	17 Assessing health impacts of air quality policy in the Netherlands
14:30	Ferreira	18 2030 emissions in the context of 2050 carbon neutrality roadmap for Portugal
14:50	Apsimon	19 UK IAM experiences
15:10		<i>Coffee break</i>
15:30	Garcia Vivanco	20 The 1st Spanish National Air Pollution Control Programme : Effects on Air Quality and Health
15:50	Todorovic	21 A Serbian emission scenario in the GAINS model
16:10	Strużewska	22 Recent results from Poland
16:30	Åström	23 Recent results from Sweden
16:50		Close of day 2

## 22nd of April

Time	Speaker	Title
		<b>VI LINKING SCALES</b>
12:00	Velders	24 Results from the 1st EPCAC meeting <a href="https://iiasa.ac.at/web/home/research/researchPrograms/air/policy/Report_Expert_Panel_on_Clean_Air_in_Cities_27-11-2019.pdf">https://iiasa.ac.at/web/home/research/researchPrograms/air/policy/Report_Expert_Panel_on_Clean_Air_in_Cities_27-11-2019.pdf</a>
12:20	Sokhi	25 Air quality modelling to support initiatives on clean air in cities
12:50	Barrett	26 Linkage between zero greenhouse gas emissions energy systems and air pollution
13:10	Åström & Maas	<b>AOB &amp; Discussion on items to be included in chairs report of the meeting</b>
13:55		Close of day 3

## 27th of April or 28th of April

Time	Speaker	Title
14:00	Åström & Maas	<b>Selected extended presentations and chairs report of the meeting</b>
16:00		End of meeting
