

International Institute for  
Applied Systems Analysis

IIASA [www.iiasa.ac.at](http://www.iiasa.ac.at)

# Spend your sabbatical at IIASA

Immerse yourself in a vibrant international research community that works on global challenges using our state-of-the-art systems analysis methods and tools.

[iiasa.ac.at/sabbatical](http://iiasa.ac.at/sabbatical)

**IIASA welcomes senior researchers, policymakers, and leaders from around the world to spend their sabbatical at IIASA and become a guest affiliate of the Institute for a period of three to twelve months.**

### **Why choose IIASA?**

- **Connect** with a cohort of system thinkers.
- **Explore** IIASA models and research tools.
- **Collaborate** with a multicultural, interdisciplinary team.
- **Apply** a "systems analysis lens" to your work when you return home.

**For more information:**

“ IIASA provides an open and international working environment that makes collaboration easy and efficient.

**Prof. Chaoqun "Crystal" Lu**

**IIASA is an international research institute based near Vienna, Austria. A global leader in systems analysis, IIASA conducts policy-oriented multidisciplinary research into challenges that are too large or complex to be solved by a single country or discipline.**
