

55th session of the Task Force on Integrated Assessment Modelling

22 – 23 April 2026, Brussels, Belgium

Draft agenda as of 21 April 2026

Venue: Thon hotel EU, Wetstraat/Rue de la loi 75, 1040 Brussels,

Webex-link: <https://avp-697332.my.webex.com/avp-697332.my/j.php?MTID=mec8286ef4d615ea1414d2196619f6c7e>

Webex meeting nr: 2741 852 1807, **Webex password:** Pw3vPNe9Nt4 (79387639 from phone)

Wednesday, 22 April 2026		
Part 1: Introductions		
09:00		Welcome address by Mr Thomas Henrichs, Deputy Unit Head, European Commission-DG Environment
09:15	Co-chairs TFIAM	Information on the Convention and work plan
		Useful information
		· Report WGSR-63
		· Report intersessional HoD meeting
		· Report EB-45
		· GPR scenarios emission data
		· Policy Brief
		· Summary for Policy Makers
Part 2: Gothenburg Protocol Revision – Output from Air Convention working groups		
09:45	Till Spranger	Gothenburg Protocol Revision: Overview from WGSR
10:15	Simone Schucht	Latest update of the policy brief
10:45	COFFEE	
11:15	Gregor Kiesewetter	Progress in GAINS calculations for the support of the Gothenburg Protocol revision
12:15	LUNCH	
13:30	Wilfried Winiwarter	NH3 costs presentation
14:00	Markus Geupel	CCE presentation
14:30	Stefan Åström	Current developments of cost-benefit analysis to support the revision of the Gothenburg protocol
15:00	Mike Holland	Benefits assessment following HRAPIE 2, EMAPEC and VALESOR
15:30	Discussion (all)	General discussion on GPR and modelling
16:00	COFFEE	
16:30	Ebba Malmqvist	Health co-benefits of climate action

Part 3: Gothenburg Protocol Revision – Output from parties review of current GAINS policy scenarios		
17:00	Nadine Allemand	Comparison of national to GAINS scenarios
17:20	Maaïke Lammerts-Huitema	Comparison of national to GAINS scenarios
17:30	End of day 1	

19:00		Dinner at restaurant Strofilia (strofilia.brussels), Rue du Marché aux Porcs 11/13, 1000 Bruxelles, Belgium
-------	--	---

Thursday, 23 April 2026		
Part 3: Gothenburg Protocol Revision – Output from parties review of current GAINS policy scenarios (cont.)		
09:00	Co-chairs TFIAM	Opening of day 2
09:15	Johanna Appelhans	Integrated Assessment Modelling activities in Germany
09:45	Alexander Norowski	Impact of BAU/MFR National Emission Reduction Scenarios on Air Quality and Health Exposure in Poland
10:15	Hugh Woodward	Modelling ammonia and its impacts in the UK
10:45	COFFEE	
Part 4: Further input to model development		
11:15	Canan Esin Koksâl	Modelling Cases in Türkiye
11:45	Claudio Belis	Scenario analysis of PM2.5 health impacts and costs in South-East Europe
12:15	LUNCH	
13:30	Katarina Yaramenka	VALESOR - new online tool for valuation of environmental stressors
14:00	Adam Brighty	Air pollution impacts of energy system decarbonisation using hydrogen
14:30	Sophie Perroud-Akkerman	Clean air funding in the next MFF: ensuring financing for AAQD implementation
Part 5: AOB & Closure		
15:45	Co-chairs TFIAM	Items for current and future work plan
16:15	Co-chairs TFIAM	Conclusions of the meeting
17:00	End of meeting
