

Please note that with your registration to the event you grant your consent to the collection and use of your personal data by IIASA for the purpose of organisation of the event, including receiving e-mail messages and updates regarding the event. IIASA will keep all personal data strictly confidential and will not share nor sell any personal data to third-party marketers. For the purpose of the event organization IIASA will share the personal data provided with the event partners. IIASA uses third-party service providers (Hivebrite and MailChimp.com) with which your registration data will be shared. The event will be recorded and with your registration you grant your consent that any photographs or videos taken of you while participating in the event, as well as interventions or comments made during the event, can be used on the IIASA website and for any further publicity in relation to the event. For data protection questions feel free to contact dpo@iiasa.ac.at. For more information about Data Protection policies please consult this [link](#).
